Pursuant to Commission Regulation 807 KAR 5:056, the Commission on July 2, 1991 established this case to review and evaluate the operation of the fuel adjustment clause ("FAC") of Taylor County Rural Electric Cooperative Corporation ("Taylor County") for the 6 months ended April 30, 1991.

As a part of this review, the Commission ordered Taylor County to submit certain information and an affidavit attesting to its compliance with Commission Regulation 807 KAR 5:056. The Commission further ordered that a public hearing be held in this case but cancelled it when, after publication of notice, no interested party advised the Commission of its intention to attend.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds that Taylor County has complied in all material respects with the provisions of Commission Regulation 807 KAR 5:056.

IT IS THEREFORE ORDERED that the charges and credits applied by Taylor County through its FAC for the period November 1, 1990 to April 30, 1991 be and they hereby are approved.
